## PRISON FOR BANK THIEVES.

Men Who Robbed Union Trust Com-  
pany Go to Sing Sing.

Alleging he had been dominated by the superior mind of his confederate, Alonso Woolsey, former receiving teller of the Plaza Branch of the Union Trust Company, pleaded with Justice Davis, in the Criminal Branch of the Supreme Court, this morning for freedom on a suspended sentence.

"I am not the real culprit in this case," Woolsey told Justice Davis, "and I did not profit by the thefts." Woolsey and Joseph T. White, of No. 744 Prospect avenue, the Bronx, a bookkeeper in the bank, were arrested Feb. 21, last, after an examination of their books showed a defalcation of considerably over \$40,000. Both men pleaded guilty to indictments for grand larceny. Most of the money stolen was lost by White betting on the races.

Justice Davis sentenced White to Sing Sing prison for not less than two years nor more than four years and Woolsey to the same term.

## WILL TRY SIEGEL MONDAY; WHITMAN IS OUT OF CASE

Governor-Elect Puts Prosecution in Charge of Assistant Attorney Train.

With four expert accountants at work on the three tons of books and papers of the Siegel enterprises and Bank Examiner Daniel W. Quinn looking out for the State Banking Department's interests in the matter the stage is being set for the trial of Henry Siegel, which begins on Monday in Genesee, nineteen miles from Rochester, N. Y.

Fifteen witnesses have been subpoenaed by the prosecution, which will be conducted by Assistant District Attorney Arthur C. Train, Governor-elect Whitman retiring from the case for ethical reasons.

There are fourteen indictments in all pending against Henry Siegel, and the one on which he will be tried Monday will charge him with the larceny of \$25,000 from the National Bank of Commerce on April 29, 1913, by making a false financial statement regarding the condition of the Fourteenth Street Store.

Mr. Train will be assisted in the prosecution by Assistant District Attorneys William Dean Embree and Robert C. Johnstone. Also there will be former District Attorney Frank K. Cook of Livingston County, who has just resigned his office in order to take part in the case.

**GLOVE PLANT BURNED, STRIKERS SUSPECTED**

Fire Follows Receipt of Letter by Firm Warning Against Continuing Work.

GLOVERSVILLE, N. Y., Nov. 5.—The Van Wie & Chase glove factory in this city was early today destroyed by a fire which the police and owners believe was of incendiary origin. The loss will amount to about \$15,000. A few days ago the firm received an unsigned letter saying: "Cut no more gloves until the strike is settled."

The cutters in the shop had been working during the strike, which has been in progress for some time.

## JEWELLER'S NAP COSTS \$15,000; GEMS MISSING

Henry Hebbald Awakes to Find His Clerk and Diamonds Gone.

Feeling weak and faint soon after opening his jewelry store at No. 247 Bowery to-day, Henry Hebbald lay down on a sofa in a room back of the shop, leaving David Lewis of No. 25 Allen street, his twenty-four-year-old clerk, in charge. The stock of diamonds, watches and jewelry had been taken from the safe and displayed in the show windows and showcases.

Hebbald slept until 9:30 o'clock. On awakening he found the store locked and Lewis gone. Diamonds and jewelry worth \$15,000 were missing.

In reporting his loss at Police Headquarters Hebbald said his clerk was a preliminary boxer known in local fighting circles as "Kid" Lewis. Hebbald knew him for five years and employed him eighteen months ago. Lewis was often left in charge of the store.

## Climate Failed; Medicine Effective

Sufferers from Tuberculosis often think that medicine will not help them. Fresh air, regular habits and good food aid in restoring health, but more is often needed. Many have been restored to health by Eckman's Alternative. Read this:

Walden, Ill. "Gentlemen—Through your instrumentality I have been cured from a premature grave. On December 14, 1906, I was taken with Typhoid Fever, which developed into Tuberculosis (bacilli were found). In February, 1908, I went to Fort Worth, Texas, and later to Canon City, Colorado. After being there two weeks my physician informed me that my case was hopeless. Three weeks later I returned home, weighing 100 pounds, the doctor having given me no assurance of reaching there alive. On July 14, 1909, I began taking Eckman's wonderful remedy for Lung Trouble. Now I am stout and well and can do any kind of work about my grain elevator." (Abbreviated.)

Eckman's Alternative is most efficacious in bronchial catarrh and severe throat and lung affections and up-building the system. Contains no harmful or habit-forming drugs. Accept no substitutes. Small bottle, \$1; regular size, \$3. Sold by Riker-Hagaman Store and leading druggists. Write for booklet of recoveries.

Eckman Laboratory, Philadelphia.
